

December 2009

Dear Preferred Family, Friends, Past and Future Clients,

Season's Greetings!! Here at the Preferred Real Estate Group, we wish you and your family all the best throughout this joyous time. As the end of the 2009 Year comes to a close, we can't help but reflect on the moments past and prepare for the year 2010 just around the corner. Thank you to all of you for making this a fantastic year.

We would like to take this time, to say a heartfelt *Thank You* for making our business what it is today. Without you as a Client, Friend, or Service Provider we would not have reached our level of success!

We are often asked what directions we are all going to on a personal level and thought we'd share what we have on the go. John Carter is looking forward to spending Christmas with his family in Edmonton, doing a bit of visiting in Calgary and hoping to enjoy some snowboarding in the mountains over the holidays.

Anu Khullar is planning to spend time with her family and friends here in Edmonton where it is warm over the holidays as well as attempt to plan a 2 week trip to vacation.

Jocelyn Ujueta is always enjoying the quieter life with her husband Jaime. She is looking forward to spending time with family over the holidays in Devon, Edmonton, Ponoka and Red Deer. She's excited to give each niece and nephew a tight squeeze!

We wish you and all your family a joyous and Merry Christmas. May you live each day to the fullest capacity and celebrate with us all that we have to be thankful for.

Merry Christmas and have a truly Happy, Healthy & Prosperous Happy New Year!
